

WORLD OF RADIO #1254, produced November 23, 2004 by Glenn Hauser

\*Standard disclaimer

\*From Dec 2, our WWCR broadcast Thu at 2130 UT is on 9985 for three months instead of 15825

\*One of the 'shower services' for Northern Australia, VL8A, Alice Springs, has stayed on 4835 all night the past week, instead of switching to 120m from 0830, and widely reported, including North and South America, Europe; could resume usual schedule at any time

\*With longest nights, Indonesians audible around sunset in eastern North America, such as RRI Makasar, 4750 at 2200

\*Bangladesh's only active SW frequency, 7185, heard at 1229 and 1750 in English

\*V. of Tibet's latest schedule of 48-minute broadcasts via Uzbekistan: 1212 on 17545 or 17525 or 17560; 1302 on 15535 or 15525 or 15540; 1430 & 1520 on 7520 or 7505 or 7480; 100 kW and 131 degrees

\*BSKSA, Riyadh 500 kW, main Arabic service from Saudi Arabia, 0.4 kHz above these: 06-0855 17730, 09-1155 17805, 12-1455 21505, 15-1755 15435; 295 degrees except 320 on 15435

\*Israel still plans to cancel all SWBC at yearend; English heard at 0430 on 6280.04 and 7545; 2000 on 9390

\*V. of Turkey agrees to Joe Hanlon's suggestion of 5960 to replace 7275 from Nov 23, English to North America at 2300

\*World Christian Broadcasting website says Madagascar has given them 42 hectares for new SW station at Mahajunga, on NW coast; fund-raising yet to begin

\*R. Ethiopia, English on 7165 at 1630, French at 1700 heard in Finland

\*V. of Nigeria in English: 05-07 15120, 10-15 15120 or some days weaker 11770; 17-21 7255

\*Burkina Faso active not only on Wed & Sat, usually on except for transmitter problems; off-frequency 5030.51, a tip-off. Heard until 2400\* and as early as 2135 in NAm; listen the earlier the better because of Cuba 5025

\*More tropical Africans earlier in afternoons; Chad 6165 from 2002 in NY; Croatian co-channel after 2110, and blocked by Bonaire 2200

\*R. Ukraine International covers election dispute objectively: English at 22 on 5840; NAm 01 & 04 7440; As/Au 12 15620; also webcast via <http://www.nrcu.gov.ua> And DXLD 4-175 has BBCM report on Ukraine media

\*RCI's Ukrainian service about to close [Nov 30]: 1630-1700 via Skelton, UK on 11935 9555

\*Cerrik, Albania, site refurbished by China for CRI use exclusively, to be inaugurated Nov 28, 4 x 150 kW plus two standbys; already testing

\*REE Spain downplays ``Lenguas Cooficiales,`` but news in Catalan, Galician and Basque found M-F 1340-1355 on 21570 17595 15170 5970 to NAm; elsewhere 21610 21540 11910, maybe 15585

\*REE heard with unscheduled broadcast of La Zarzuela, Sun 2225-2300 on

17850 via Costa Rica; supposed to be ``La Banyera de Ulises`` -- what in the world is that about?

\*RFI intends to close down Portuguese to Africa, since the Angolan civil war is over; priorities are French, Arabic, Chinese and English

\*RFI in English at 1600 on 15605 direct, heard well in BC; also via South Africa 15160

\*From Jan 3, RFI in DRM from Issoudun 6175 at 06-16; 3965 around the clock except for relays such as Taiwan

\*CHSL, Voces Latinas, Toronto, 1610, continues with musical variety, not just latina, but even Elton John, rather than gospel, a bit low around 1609.92; Montreal 1610 station CJWI had been a bit high around 1610.113, now almost fixed to 1610.006

\*Via satellite, internet, AM and FM, and shortwave, World of Radio 1254, P O Box 1684, Enid, OK 73702, USA: or woradio at yahoo.com

\*That's the e-mail address you may also use as Eric Floden did, to make a PayPal contribution; Eric says there is no comparable source, and enjoys Tips for Rational Living, concluding some DXLD issues

op=modload&name=Sections&file=index&req=viewarticle&artid=72&page=1&id\_link=24175  
\*BBCWS Antigua, 15190, heard on 2nd harmonic 30380, mornings in NJ  
\*R. Marti a no-show Sat Nov 20 via airborne 530 at 2200; weather was OK  
\*R. Vision Cristiana, Turks & Caicos, 'stole' 530 from Marti which had built ground-based 530 transmitter, but not quite on the air; now Marti is using 530 anyway on occasion, and building its own T&C relay on 1570  
\*R. Insurgente, Zapatista station in Chiapas supposedly on 6.0 MHz, Fridays 2100-2200; check it anyway but beware of Venezuela via Cuba also on 6000 during that hour; 6.0 may be rounded-off frequency  
\*VOA's new English program schedule, spreadsheet  
<http://www.voanews.com/english/newsnow.cfm>  
\*VOA English is now 22 hours per day, but many of them music; 1500-1700 weekdays with Border Crossing, Talk to America; 09-12 ME, 12-15 As, 15-17 As/ME/Af, 17-22 Af, 22-03 As, 03-09 Af; Africa World Tonight at 17 & 20; best frequency in UK, 15240 Morocco, fades by 18  
\*RFE [RL] woos Russian listeners; proposed overhaul to make it sound more like a local Russian station, drop references to Prague; its credibility depends on being an outsider. US consultant, also working for Starbucks, recommended this  
\*AFRTS USB moved from 7507 to 7812.5, listed as Key West  
\*WRMI program schedule page includes link for live streaming  
<http://www.wrminet.us:8000> [so far, hasn't worked for us]  
\*New on WBCQ: World Microscope from UT Nov 27, Wed-Sat 0200-0300 on 7415, 5105; international talk show with Michael Ketter  
\*Reminder that WBCQ carries WOR Mon, Tue, Wed and Thu at 2200 on 9330-CLSB; also 0400 UT Sun & Mon, tho not propagating lately; we heard CW on 9330 UT Mon Nov 22 at 0400; WBCQ too far north to get a 3 MHz frequency. 5105 switched to LSB due to Coast Guard complaints  
\*Now we know why KNLS' website not updated for B-04: webmaster and main English program speaker Mike Osborne is leaving Dec 31 after 20 years to join Mercy Ships International Ministry  
\*Check out Tom Shales' column in Washington Post: ``Michael Powell Exposed -- the FCC Chairman Has No Clothes'', biting indictment of his incompetence and wrong-headedness [DXLD 4-174]  
\*Miramar, FL, adding municipal radio station on 1680 with two transmitters, 80-minute recorded loop; Westin FL has nine on 1640 with travel info for Turnpike  
\*LAX AirRadio 530 AM increased power to 100 watts to cover LA metro; also via <http://www.lawa.org> --- click on airport conditions, then airradio 530 AM  
\*Mysterious silent carrier on 612 kHz heard along Baltic coast  
\*Croatian transmitter on 1134 off the air after storms, opening for DX [later: the 1125 transmitter moved onto 1134 temporarily]  
\*Propagation outlook from Boulder Nov 23: flux range 115-135-95  
\*Glenn Hauser, saying many thanks for listening to another World of Radio, number 1254, and do tune in again next week #/#
